## Principal's Message

It seems like only yesterday we were coming back from spring break and now we are in June. These are busy times here at CVS. Here is a rundown of May at CVS. Highlights include: Cobra News, SWIS lunches, Grade 8 field trips to St. Boniface and Manitoba Museum, Kindergarten Information Night, Pre-school Party, Grade 1 field trip to Morning Sound Farm, Grade 8 heart dissection, Cookie Ride and Bike Week, Breakfast Club Pancake Day (sponsored by HUB Insurance), Rainbows/Mentorship windup at the bowling alley, and the return of the CVS Outdoor Movie. We also had our Cobra Cash Draw, and another Cobra Code Assembly where we continue to build our school culture and community by recognizing our students that are following the Cobra Code. We also had another successful Grade 5 to 8 Track and Field Day full of fun, competition and broken records.

As we turn the calendar to the last month of the school year, we have many things to look forward to and we close out this school year. Hopefully you had a chance to order our K-8 yearbook to remember all of our accomplishments in academics, sports, performing arts, and everything in between. This month we are looking forward to the following events: Divisional Track & Field, Grade 2 swimming lessons, Grade 6-8 Year End Dance, Kindergarten picnic, Kindergarten Ready, Set, Go event, Year End Field trips, Grade 8 PCI tours, Sports days, Tabloid Day, Middle Years Activity Day, Grade 3 Drama production, Band concert, our last Cobra Code Assembly, and the Grade 8 farewell assembly. That's a busy month.

Lastly, I would like to personally thank our Crescentview community for making our second year at CVS great. As you know, nothing is possible in a school without the time and support of parents, staff and students. I am so proud of the way we continue to come together as a school community. We are following the Cobra Code here every day as we are respectful, responsible and safe. Thank you to all parents, teachers, support staff, coaches and volunteers that make this happen on a daily basis and make CVS a great place to be. We are proud and recognize the amazing job that our entire school has done at contributing to our community this year and look forward to next year. Go Cobras!

Mr. D. Moar  
Principal

**CVS gratefully acknowledges the Child Nutrition Council of Manitoba and Breakfast Club of Canada for their generous donations to our school Breakfast and Snack Programs.**
